Respected DCs/ DMs,

This is in continuation to the discussions held during the DARPG outreach meeting with districts on 27<sup>th</sup> October 2025, where the issue of data availability for PMA-25 nominations was raised.

2. It is hereby clarified that for the nominations under Prime Minister's Awards (PMA)-25, districts and blocks may submit data for the month of **September 2025**, as entered in the dashboards of their respective ministries at the time of filing nominations. The data entered by each district/block will subsequently be verified by the NITI Aayog (ADP/ABP division) based on authentic data provided by ministries.

3. Additionally, please note that NITI Aayog (ADP/ABP division) will ensure the upload of data up to September 2025 on the ABP CoC portal (<https://abp.championsofchange.gov.in/>) by **7<sup>th</sup> November 2025**.

4. This should facilitate the timely and accurate submission of nominations and to provide a uniform basis for evaluation.

Regards,

Ranjay Kumar  
Under Secretary to the Govt. of India  
NITI Aayog  
New Delhi
