**Subject: Extension of last date for submission of applications for Prime Minister's Award for Excellence in Public Administration, 2019.**

Sir/Madam,

The process of submission of applications for Prime Minister's Awards for identified Priority Programmes and Innovations is currently in progress.

2. As per the provisions of the PM's Awards scheme, the awards are to be given in two categories viz. identified Priority Programmes of Government of India and Innovation for excellence in Public Governance. The details of the scheme may be seen at (<https://pmawards.gov.in>).

3. As communicated earlier, the last date of submission of online applications was 15.01.2019. Considering the requirement of data to be uploaded by the applicants and the requests received from various organizations, the Department has extended last date for submission of applications from 15<sup>th</sup> January, 2019 to 31<sup>st</sup> January, 2019. District/Organizations, who have already submitted applications, will have option to edit their application before the last date.

4. Districts who have registered themselves and selected the Priority Programmes may submit the applications in the Priority Programmes as well as in Innovation by 31<sup>st</sup> January, 2019. Those districts, which have not registered/chosen any programme may also get registered and submit their applications before the last date.

Yours faithfully,
